Our children's programs are all about building early literacy by encouraging a love of stories, books and reading.

We want our programs to be fun and educational for everyone so please:

- 📖 Arrive on time
- 📖 Keep adult conversations until the end.
- 📖 Actively participate. You are an important role-model!
- 📖 Park your prams outside the program area. Take any valuables with you.
- 📖 Switch your mobile phone to silent.
- 📖 If your child is off-task, re-direct them or give them a short time-out.
- 📖 Don't eat during Storytime. Other children may have allergies or intolerances.
